To the Honorable, the General Assembly of Maryland:

The undersigned in obedience to the resolutions and acts of Assembly in such cases made and provided, begs leave to report to your honorable body that the classical department of the Cambridge Academy is now conducted by the Rev. That there are thirty-four scholars in that department, that the English department is conducted by Gardner Bayley and he has thirty scholars in his department, that there are more charity scholars in the Academy, than is required by the resolution distributing the State donation, and that this institution is conducted with great efficiency.

All of which is respectfully submitted,
